

River Deep Alliance Outing Report

www.riverdeepalliance.org
Bob Adwar bob@scihop.org

The programs in River Deep Alliance all focus on healing and support from physical, psychological or emotional injuries and trauma sustained during military or civilian life. This is accomplished through activities and services that enable an individual to re-acclimate and re-engage in life. A positive outlook is crucial in the healing process and these activities and services have proven effective for improving outlook and day-to-day quality of life.

Group outings are funded, planned and organized by River Deep with assistance from the SCI Humanitarian Outreach Program (SCI HOP) who handles much of the logistics.

June 15, 2019

Location: Lincoln Hills, Blackhawk, CO.

Hosted By: River Deep Alliance and SCI HOP

Participants: Craig Hospital, Operation TBI Freedom, Ft. Carson WTB

Anglers of Honor at Lincoln Hills

The river is running high and fast and the weather forecast predicted rain, so it's going to be a challenging day in the mountains, but no one seems to be worried. Everyone is at Lincoln Hills to fly fish, learn, and have a fun time. We started the morning with the fundamentals of fly fishing, next will be reviewing the gear, waiters and then pairing up with the guides. Some of the group will be fishing on the river and some will fish the ponds. The trout ended up in the nets and are released for another day. Everyone is having a wonderful time learning and fishing. Even a brief rain shower is ignored.

It's time for lunch and we are having some great BBQ brought to us at Lincoln Hills by Jim N' Nick's BBQ. It's been a great day and a big thanks to all the Anglers of Honor Guides and all the volunteers.
